

we need your garden!

Barwick Open Gardens has become a popular fixture in our village calendar. It's a great fun day with a friendly atmosphere and garden lovers showing lots of interest, exchanging ideas and giving one or two compliments too.

To keep the event fresh and interesting we always need new gardens. Small or large they don't have to be anything like Chelsea standard just the garden that you enjoy!

If you would like more information just give John a ring on 0113 2812254
